
Question 5 (Free response)

Please comment on your intern's performance for the current grading period. Note: Your intern will be able to review this evaluation and it will be placed in his/her training file.

Respondent answered:

Since I had the pleasure of having McKenzie as an intern last year, I have noticed positive growth in her ability to teach and plan for learning. McKenzie has a great sense of confidence and initiates her own lessons/ideas with the students. I am always impressed with her work.
